Company Profile

A Brief Story About The Company

OVERVIEW

Jovotech Investments (Pvt) Ltd is a dynamic Zimbabwean company based in Darwendale, committed to delivering impactful and sustainable development across agriculture, real estate, and education sectors. With a focus on inclusive growth, Jovotech champions innovative solutions that improve livelihoods, create employment, and provide affordable, quality services to communities.

VISION

To be a transformative force in Zimbabwe's development by building sustainable enterprises that uplift communities and unlock national potential.

MISSION

To deliver innovative, inclusive, and high-quality solutions across agriculture, education, and housing sectors through strategic partnerships and community engagement.

CORE BUSINESS AREAS

1. Agriculture and Farming Operations

Operating from its 101-hectare base in Darwendale, Jovotech is actively involved in commercial farming. The company focuses on high-impact value chains including turmeric, industrial hemp, poultry, and small livestock. It supports inclusive contract farming models and is establishing processing hubs for local and export markets.

2. Market Driven Basic Implementation

Through the Sabino Canyon International College (SCIC) project, Jovotech is spearheading the construction of a state-of-the-art educational complex in Darwendale.

The institution will feature:

A **1,000-student** capacity secondary boarding school

A **300-student** primary boarding facility

A **1,500-student** tertiary institution with a focus on innovation and inclusive education.

3. Student Accommodation Project

In response to rising demand for quality housing for university students, Jovotech is investing in purpose-built student accommodation. These developments will be strategically located near major tertiary institutions and are designed to provide secure, affordable, and technology-integrated living spaces.

4. Market Driven Basic Implementation

Jovotech is rolling out an ambitious low-cost housing program under a rent-to-buy model, aimed at easing Zimbabwe's housing backlog.

The initiative targets working-class citizens and youth, offering secure, modern, and affordable homes with integrated water, energy, and security infrastructure. Strategic partnerships are underway with international construction and EPC firms.

LEADERSHIP

The leadership team brings a wealth of experience in business development, operations management, and community-driven project execution, positioning Jovotech as a key player in national development efforts.
